Churches Serving Together

to Make Disciples to Impact the World

The Mallery Baptist Association is a ministry partner in Southwest Georgia. We gladly serve churches in Dougherty, Lee, and Worth county. We are independently funded and rely on our member churches and friends of the Association. We do not receive any operating funds from the Georgia Baptist Mission Board or the Southern Baptist Convention.

The intent of this brochure is to help you see some of the ways the financial help your church gives the Association impacts our pastors and staff, our churches, our community, our state, our nation, and the world. With each group we seek to “engage, encourage, and empower”.

We understand that the church is the group that God designed to carry the Gospel of Jesus Christ into all the world. We believe this Gospel must go into all the world. We also recognize that pastors, staff, and churches need encouragement and tools from time to time. That is why we are “Churches Serving Together to Make Disciples to Impact the World.”

What We Believe

The Mallery Baptist Association and her leadership affirm the Baptist Faith and Message 2000.

This means our Association affirms biblical values for life, church, worship, marriage, and more. We affirm that: the Bible is the inerrant Word of God, there is but one God, who manifests Himself in three distinct personalities (Father, Son, and Holy Spirit), Jesus Christ is the only Savior of mankind, and trusting Him is the only way to eternal life in heaven.

We affirm that the human race, and all the races it includes are the only part of God’s creation that carry the image of God. As such, the life, ministry, sacrificial death, and resurrection of Jesus Christ is available to all people groups and all those groups will be represented in eternity before the throne of God.
